## CAMP ACTIVITIES

### PLAY IN MOTION

Physical activity will be structured to help children develop awareness and increase exposure to healthier lifestyles. Some activities will include swimming, relay races, gymnastics, soccer, basketball, lacrosse and other sports popular worldwide, like cricket and water polo!

### CREATIVE EXPRESSION

Creative activities are designed to help the students explore their sense of individuality through arts and crafts, dance, music and ceramics.

### GARDEN TO TABLE

In partnership with the Penn State Master Gardeners, through our "Learn, Grow, Eat" program, children will experience the joy of growing, preparing and eating the food they harvested! Through this program, they will also learn about the environment and conservation, setting them up for a strong future!

### OFFSITE ADVENTURES

Children will take fun field trips, go swimming, and visit locations in Philadelphia that provide exposure to a variety of athletics. All offsite trips are included in the price of camp.

# DAY CAMP 2023 PROGRAM

“The Wonderful Art of Play” will focus on developing social, emotional, and physical well-being through FUN structured activities and curriculum. Children will learn about different sports, participate in activities, and eat and prepare healthy home-grown foods.

## PRICES

| <u>CORE DAY</u>       | <u>AFTERCARE</u>      | <u>FULL DAY</u>       |
|-----------------------|-----------------------|-----------------------|
